Subject: Scholarship Applications

It is so important that you get this information to your Coaches or any graduating Senior High School Student, or College Student that may be in your Junior Program

We delayed mailing this information until after the first of the year in hopes that things would not be so busy for you. We really need help.

The Florida State USBCY typically gives out eight to fifteen \$1,000.00 Scholarships each year. How great it would be if a youth bowler from your association center could receive one of these Scholarships.

This can happen with your help. Please run some copies and get these very important papers into the hands of caring coaches who will see that their graduating seniors get them and complete them. Mail them on time and just maybe you will have a winner.

As always, thank you for all that you do for the youth bowlers in the State of Florida.
